

BAHAWALPUR INDUSTRIAL ESTATE

Why Bahawalpur Industrial Estate?

Bahawalpur Industrial Estate is a lucrative project of PIEDMC spanning over 485 acres. Bahawalpur Industrial Estate will be developed keeping in mind needs and preferences of the local region/ area. Since, there is no planned industrial estate available in the surrounding areas, establishment of Bahawalpur Industrial estate will be a land mark project in order to uplift the overall industry of the region, generating employment for the local residents.

Main raw material produce of Bahawalpur region is sunflower, cotton, mustard seed and sugarcane. Moreover this region yields big amount of wool. Hence, Bahawalpur industrial estate will be a good option for industrialists from textile industry including weaving, spinning, processing and printing. Also, wool processing and weaving unit has strong potential in the area. Oil extraction and solvent extraction plants will also be profitable.

Location

Bahawalpur Industrial Estate is most suitably located near main N-5, just 16 km away from Bahawalpur City.
